Professional Summary

Innovative and results-driven executive with 10+ years of experience in performance marketing, lead generation, and marketing automation. Proven ability to lead cross-functional teams, launch new business verticals, and build tools and systems to improve operational efficiency.

Experience

Scarlet Marketing, Founder

Morris Plains, NJ

Jan 2025 - Present

- Evolved business from an email publishing operation into a consulting firm specializing in website development and workflow automation.
- Built client websites, lead gen funnels, and data-driven back ends.
- Created automation tools using Twilio, n8n, Zapier, JavaScript, and Python to streamline marketing and sales operations.
- Optimized email deliverability, data processing, and performance insights for clients across industries.

Carida Insurance, Vice President, Digital Marketing and Lead Generation

Teaneck, NJ

Jan 2021 - Dec 2024

- Built the company's digital marketing strategy from the ground up, scaling lead gen spend from \$0 to \$5M+ annually while maintaining a profitable CAC.
- Expanded internal sales team from 0 to 30+ agents, aligning lead volume and pacing with agent capacity and availability.
- Managed both internal marketing and external vendor partnerships for scalable media buying.
- Directed martech stack and infrastructure, using Python, JavaScript, and API integrations to build automations and internal tools.
- Designed and maintained proprietary databases and pipelines to support campaign analysis and business operations.

Spring Venture Group, Marketing Manager

Feb 2019 - Jan 2021

- Launched and scaled internal email and Facebook lead generation channels, increasing efficiency and lowering lead acquisition costs.
- Managed creative development for digital campaigns, aligning with brand and compliance standards.
- Partnered with sales leadership to match lead flow to agent availability, improving sales outcomes.

TRANZACT, Director of Digital Marketing

Fort Lee, NJ

Jun 2015 - Dec 2018

- Job functions included managing internal CRM email, external acquisition email, third - party Facebook buying (sole media resource assigned to these functions), as well as affiliate lead buying.
- Managed media buying relationships, overseeing up to \$2M in monthly ad spend.
- Oversaw branded campaigns for major carriers including Aflac, AXA, Aetna, AIG, Cigna, Humana, John Hancock and MetLife.
- Built reporting pipelines and forecasting models to guide staffing and business decisions.
- Maintained expert-level skills in digital platforms such as Google Analytics, Lashback, Cake, HitPath, Optizmo, Invoca, Boberdoo, and a number of ESP's.

Education

Widener University School of Law, JD in Law
